- The four major skills, namely, listening, speaking, reading and writing have been integrated into each unit.
- Grammar rules with adequate exercises for practice have been framed to gain mastery over the language.
- Sample exercises with proper guidelines and format, structure etc. have been provided to improve accuracy and fluency in English.
- Instructions have been given for individual work, pair work, group work and work together as a whole class.
- ICT corner has been added to kindle the learner's interest to go beyond the textbook. This corner is a digital resource with adequate learning material. The additional information and reference skill will equip the learners to achieve effective learning.
