Most parents allow their daughters to attend these schools, _____ there are some parents _____ are against such schools for girls _____ the age of 14 or15.

F. Rearrange the words in the correct order to make meaningful sentences.

1. as / I / healthy / are / you / am / as

2. your / today / put on / new / since / is / birthday /dress / the

3. allergic / dogs / Rani / though / is / to / of / six / she / them / has

4. speaks / Ruben / besides / German / languages / two

5. loan/apply/you/if/for/you/a/get/will/immediately/it/

Nominalisation

❖ The term "nominalisation" refers to the process of producing a noun from another part of speech by adding a derivational affix.

❖ A grammatical expression is turned into a noun phrase when we nominalise a sentence. For example,

(A) After 1885, trade with Europe **grew**. (Verb)

(B) After 1885, there was a **growth** in trade with Europe. (Noun)

In sentence B, we have used the word 'growth' which is the noun form of the verb 'grow' by adding the suffix 'th'.

Nominalisation can be done in three different ways.

1. We can add suffixes like -ment, -tion, -sion, -ness, -ation, -ity, -al to verbs and adjectives.

Examples:

admire	–	admiration
arrive	–	arrival
careless	–	carelessness
fail	–	failure
include	–	inclusion
intense	–	intensity
punish	–	punishment

2. Some words are turned into nouns without any adding suffix.

Examples:

bleed	–	blood
lose	–	loss
prove	–	proof
sell	–	sale
speak	–	speech

3. Some words do not undergo any change when they are used as nouns.
