Children spend the evening watching channels that instigate only negative thoughts in their minds.

They are unwilling to go out and play in the fresh air. These depictions spoil their minds and negate their character.

Television is an effective social media and also a powerful tool for communication; it should telecast more and more value based programmes that would impress the children.

I humbly request you to publish this letter so that television channels improve their standard of telecast.

Thank you.

Yours faithfully,
Raja

Example 2:

You are Gomathi, a resident of a colony adjacent to the Thamirabarani River. Daily you see many people throwing waste into it, spoiling the pure water. Write a letter to a newspaper showing your concern about it and also voicing your worry. Give your suggestion to solve this problem.

Sir

Sub. : Stop polluting the Thamirabarani River

Through your daily, I would like to bring to the notice of the authorities concerned the pollution of the Thamirabarani river.

It is sad to note that people residing in and around the river bed, throw all their waste or dump garbage into the river water. It has also been observed that they throw plastic bags too.
