## Article Writing

Article writing is the process of creating non-fictitious text about current or recent news. It can be items of general interests or specific topics. They are published in print forms, such as newspapers and magazines. Article writing is a skill that needs to be practised.

### Steps involved in writing an article:

### 1.Decide the theme:

- Choose an interesting, relevant or a current issue.

### 2.Decide the title:

- The title suggests the core idea of the article. It has to be brief and captivating, kindling the interest of the readers.

### 3.Form an outline:

- Forming an outline of the article is very essential. It can be done in three steps:

  *Introduction

  *Body

  *Conclusion

### 4.Draft the content:

- When your outline is complete start expanding on the title.

### 5. Edit it:

- Never submit an article in its first draft. Revise the article until it expresses your thoughts completely. Give it a final reading. Edit it and correct the errors.

### 6. Final Reading:

- Once the article is edited, give it a final read. Check if it adheres to the requirements.
